INTERVIEW SUMMARY

Sir:

A May 05, 2008 Examiner's Interview ("Interview") was conducted by telephone between Examiner ORR, Examiner Rachna SINGH and Applicants' representative Dermot G. Miller (Reg. No. 58,309). In the Interview, proposed claim amendments were discussed to determine what Examiner ORR would accept as sufficient to more clearly distinguish the claimed invention from the currently cited references. Examiner ORR indicated that certain proposed claim amendments would adequately traverse pending claim rejections which relate to the cited reference Hanchett, USPN 6,834,301. Examiner ORR further requested that any further response also include certain additional claim amendments for clarity of the claims.

Respectfully submitted,
BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN, LLP
